BYTE Staff Highlight

Our BYTE family keeps on growing and we are proud to present Nancy Araujo, our new educational assistant! Though her family is from Sinaloa, Nancy is a proud Nogalense working to make a difference in her community. Currently, she assists with the administration of BYTE's academics in Mexico, as well as leading fun and groovy dance classes!

Nancy's favorite part of working for BYTE is "being able to help create a safe space for kids and teenagers to be themselves, as well as help them develop their own skills and dive into creativity!"

Nancy's warmth and kindness have positively impacted BYTE

programming and we are very happy to have her! Her goal in BYTE is to "keep creating spaces where youth, as well as adults can express themselves and their creativity!"
